## A bülbülüm nedir ah u feryadın

Düyek ♩ = 120

A bülbülüm nedir ah u feryadın  
Bir gül için can feda mı kararın  
Yok mu gülden başka senin yararın  
A bülbülüm a bülbülüm a bülbül  
Güfte yazar beste yapar okursun  
Gönül tellerine mızrap vurursun  
Hangi dilden hangi makam okursun
