*Dalında solarken akşamın gülü  
Ufuktan çözülmüş güneşin tülü  
Dinlerken kırlarda yanık bülbülü  
İçmesem bir türlü içsem bir türlü*

*Akşam üstü çatmış mahabbet demi  
Kurmuştur erenler meclisi Cemi  
Başımdan eserken hicran meltemi  
İçmesem bir türlü içsem bir türlü*
